This addendum is issued to revise the original Request for Proposal, dated July 20, 2006, as follows:

1. The proposal opening date remains the same: Thursday, August 3, 2006 no later than 2:00 p.m. exactly.

The following information is provided in response to questions received:

Q1: Area 2 addresses vulnerable populations via a needs assessment. Is this to be questionnaire-based?

A1: It will be a combination of questionnaire, focus group and in-depth interviews. The exact approach will be decided once the contractor is selected.

Q2: Area 3 addresses the health care coalition web-based planning resource (This sounds like a document management site to start, with custom features, is this correct?).

A2: The site will be a repository of tools, resources and lessons learned. It will also contain a password protected area for information that is not for general public consumption.

Q3: Is the current database working as intended?

A3: We do not have a database but two distinct websites for I&Q and Workforce Activation, respectively. These websites are working as intended.

Q4: Did the incumbent company develop the database?

A4: We do not have an incumbent company working on these websites; it was for a previous RFP/contract that expired in June 2006.

THIS ADDENDUM IS PROVIDED FOR INFORMATIONAL PURPOSES ONLY AND DOES NOT NEED TO BE RETURNED TO KING COUNTY TO BE ELIGIBLE FOR AWARD
